## Some Users

**Cloud Based PREMIUM Plus Training SaaS-T**  
Company Branded Hosted WEB Based Training  
which you pay a price that reflects the true value  
of online content and delivery platforms.  
Cheap bottom-line training *isn't always the best  
solution*, so we lower online training prices the  
right way--by eliminating needless expenses  
through our client-sponsored approach,  
"Born online and built to save."

**\$6 or less! (per employee /  
month ) X Number of Employees  
= Your Price with no penalty for  
being a successful company...**

So, **kick the tires, take a test drive** and see how  
you can have your own branded safety training  
website (LMS) with 400+ training courses with  
unlimited training for \$6 or less per employee a  
month .<http://www.smmr01.com/demo>
